If no please go to Question No.7

Yes

No

7. Please enter your submission in no more than 4000 plain text characters. *

Civil defence premises around the county are in need of updating and basic structural works to bring building up to code. These buildings are needed to train volunteers to perform operations such as medical, water & flooding rescue and relief operations, search and rescue on land and water, etc. Ballinasloe training building for example has old rotten door, leaking roof, single glazed windows and heating system not fit for purpose.
