Motorway, National Primary & Secondary Maintenance

The grant allocated by Transport Infrastructure Ireland for the maintenance of National Roads for the year 2023 is **€1,048,358** which is the same as the 2022 allocation.

* There has been no separate allocation for Motorway Maintenance since 2013. A contract has been awarded directly to N6 Concession Ltd., A-way Lagan Infrastructure Services Ltd., and Colas Roadbridge by Transport Infrastructure Ireland to carry out necessary maintenance works on the M6 and M17/M18 Motorways. A small allocation of € 1,700 is included in the National Primary Maintenance allocation to allow the Council to recoup costs associated with traffic counters on Motorways in County Galway.

Greenways

There is a dedicated Greenway Team in place, funded by Transport Infrastructure Ireland, based in the National Roads Project Office (NRPO) in Ballybrit. The team consists of a Senior Executive Engineer, two Executive Engineers and a Executive Technician. They are supported with administrative back up with an Assistant Staff Officer. This team is currently managing the delivery of the following Greenways: Athenry to Milltown, Clifden to Oughterard (Clifden to Recess under construction), Galway to Oughterard and Derrygimlagh to Kylemore Abbey.

GRANT FUNDING OF REGIONAL & LOCAL ROADS

The grant allocated to Galway County Council for the Regional and Local Roads in 2023 is **€39,329,263, an increase of €1,903,240 on the 2022 allocation.**

2022	2023	Increase
€36,393,523	€38,160,070	
€1,032,500 (Climate Change Adaptation)	€1,169,193 (Climate Change Adaptation)

€187,513 (Active Travel)	€3,000,000 (Active Travel)	

The priority is to protect the existing road network and the investment made in it over the last number of years. The total grant allocation of **€39,329,263** for Regional & Local Roads is broken down as follows:

Improvement Works	€ 33,996,263
Maintenance Works	€ 5,333,000

Restoration Improvement Programme (RI)

The RI Programme continues to be the main focus of the regional and local roads programme. An overall amount of **€20,455,000** has been provided under the 2023 Restoration Improvement Grant.

This is the strengthening programme and again is hugely important in terms of maintaining the network. It caters for surface restoration; pavement overlay works or inlay works (planing) and for complete road rehabilitation works as well as for drainage works where required.

Restoration Maintenance Programme (RM) (Surface Dressing)

The Restoration Maintenance (RM) Programme continues to be an important programme aimed at protecting road surfaces. An overall amount of **€2,986,500** has been provided under the 2023 Restoration Maintenance Programme.

This is mainly the surface dressing programme, and it is important in terms of sealing the road surface (thus preventing the ingress of water) and in maintaining adequate skid resistance.

Also, given continuing constraints in relation to current funding for the RM programme, the provision of a Supplementary Restoration Maintenance (SRM) Grant using capital funding is being continued in 2023. An overall amount of **€2,346,500** has been provided under the 2023 Supplementary Restoration Maintenance.

Restoration Improvement (RI)

The selection of projects for the road improvement works is made based on overall needs and priorities. Consideration is also given to the level of usage, category of vehicles served and the extent of deterioration in the road. In accordance with RW11/2021, the Multi-Annual Restoration Improvement Programme 2022 – 2024 was submitted to the Department of Transport in October 2021. The works that will progress in 2023 will be in line with the prioritized list of projects that has already been submitted to the Department.

The total Restoration Improvement grant for 2023 amounts to **€ 20,455,000** which is an increase of €1,098,000 on the grant allocation of € 19,357,000 in 2022.

The distribution of the Restoration Improvement Grant is set out in the following table:

RESTORATION IMPROVEMENT (RI) GRANT			
Municipal District	Length of Road Non-National Roads KM	2022 Allocation	2023 Allocation

Regional Roads and Local Roads General Maintenance

The allocation for Regional Roads General Maintenance for 2023 is set at **€ 1,739,950** which is the same as the amount allocated in 2022. The Local Roads General Maintenance allocation also remains the same as the 2022 allocation of **€ 2,042,550**.

Breakdown for DG-Regional Road General Maintenance and Local Road General Maintenance per Municipal District is set out in the table below.

Regional & Local Road – Discretionary Grant GENERAL MAINTENANCE				
Municipal District	REGIONAL Length of Road KM	DG – Regional Road Maintenance	LOCAL Length of Road KM	DG – Local Road Maintenance

TOTALS	899.66	€ 1,739,950	5613.00	€ 2,042,550

Bridges (Repairs)

There is a specific grant allocated for Bridge Rehabilitation of **€630,000**, toward 12 specified bridges. It is proposed to allocate an additional amount of **€ 395,000** from the Discretionary Grant towards the repair of bridges on Regional and Local Roads as detailed under [Bridge Rehabilitation & Repairs](#).

The overall allocation toward repairs of Non-National Road Bridges for 2023 is **€ 1,025,000**.

Winter Maintenance

The Discretionary Grant allocation includes an allocation towards Winter Maintenance works. It is proposed to allocate **€ 265,000** towards Winter Maintenance on Non-National Roads in 2023, which was also the amount allocated in each of the years 2015-2022.

Tertiary Roads

It is recommended that there should be ongoing investment from the Discretionary Grant specifically to the Local Tertiary Roads which have inhabited houses on them, as has been the case since 2015. The allocation will be divided across the Municipal Districts based on the normal division per KM of road length.

Based on the above, it is proposed to allocate 16% of the Discretionary Grant i.e. **€ 900,000** for the repair of Tertiary Roads in the County. It is allocated on a per KM of local roads basis, per Municipal District, this will allow for increased lengths of roads to be repaired. The schedule of Tertiary Roads to be repaired is detailed in [Summary by Municipal District](#).

Clár Bóithre / Roads Programme 2023

DISCRETIONARY GRANT (DG) – TERTIARY ROADS		
Municipal District	Length of Road KM	2023 Allocation
Athenry / Oranmore	144.69	€ 76,860
Ballinasloe	368.03	€ 195,498

Loughrea	459.54	€ 244,109
Tuam	215.50	€ 114,474
	Total	€ 900,000

Contingency Fund

The Department of Transport has advised that a contingency provision should be reserved to deal with damage caused by severe weather conditions, including flooding. The DOT has highlighted that it is not setting aside contingency monies to address possible severe weather events. Similar to previous years, it is proposed to set aside an allocation of **€240,000** of the Discretionary Grant for such emergencies in 2023. This allocation is deemed necessary due to unpredictable weather events and the increasing occurrence of storm events in recent years.

Pavement Condition Survey Index (PCSI)

Pavement asset management is a key component of future Regional and Local Road maintenance. The achievement of successful asset management will depend on the measurement, collection and analysis of data relating to the condition of the public road asset throughout the country.

As part of the data collection exercise each Local Authority is required to monitor and quantify the condition of the public road network within its functional area through the regular measurement and recording of the Pavement Surface Condition Index (PSCI).

A specific allocation to conduct visual surveys on the condition of non-national roads in the amount of €52,000 has been allocated. It is proposed to set aside a further € 45,000 from the Discretionary Grant for same, giving a total budget for 2023 for PCSI survey of **€ 97,000**.

Management of Invasive Species

Galway County Council has an advisory and recording responsibility in relation to invasive species identified in the County. It is intended to allocate **€20,000** towards the recording and management of invasive species on Regional and Local Roads.

Clár Bóithre / Roads Programme 2023

Bridge Rehabilitation & Repairs

The total allocation on Non-National Road Bridges is **€ 1,025,000**. The allocation is part funded by a direct grant of **€630,000** for bridges specifically listed as part of the Department of Transport allocation for Non-National Roads and by the apportionment of **€395,000** from the Non-National Roads Discretionary Grant from DOT.

The bridge programme is based on a priority basis and is not proportionate to Municipal Districts.

The Council has charge of twelve Drainage Districts, two of which within the County of Galway extend into Roscommon and Clare County Councils. A provision of **€ 175,000** has been made from the Council's own funding under budget table F, Division G0101 - Maintenance of Land Drainage Areas for 2023.

Community Involvement Scheme

Ring-fenced funding for the Community Involvement Scheme was introduced in 2018. Since then, funding has been allocated for 2-year periods with a view to giving local authorities more flexibility in delivering this programme. Grants allocated under other Departmental grant programmes cannot be used for the community contribution. Under RW09/2021 a submission for proposed work under the Community Involvement Scheme 2022 & 2023 was submitted to Department of Transport in September 2021. It is hoped that 28 of these projects will be completed from the allocation of **€1,131,840**.

Former National Roads

Funding to assist local authorities with the rehabilitation of sections of former national roads with poor condition rating is being continued in 2023.

Following consideration of applications received from Galway County Council, grant allocations under this heading to the value of **€775,000** have been provided for two sections of R446 formerly the N6.

- Resurfacing of Eastbound Dual Carriageway at Oranmore =€275,000
- Carnaun to Nogginstown and Ballinlaur in Loughrea MD=€500,000

Rural Limit Speed Sign & Housing Estate Signage

In support to the rollout of the Rural Speed Limit sign as provided for in the [Guidelines for Setting and Managing Speed Limits](#), local authorities were able to apply for funding this year for the deployment of the sign and supplementary plate. For 2023, Galway County Council has secured funding in the amount of **€ 34,000**.

Funding to the sum of €33,290 was allocated for Speed Limits Housing Estates in 2023.

*Operational costs are charges which may not be claimed against grants, according to Transport Infrastructure Ireland and Department of Transport Memorandums, and must be funded by the Council directly, such as mobile phone costs, training, provision of protective clothing, and bank holiday leave (this is not an exhaustive list).

Notice of Motion Allocation for 2023 is made up of general NOM allocation of € 18,000 per Councillor amounting to €702,000.

General Maintenance

Based on the total length of Local Roads in the Council's charge, the General Maintenance allocation, inclusive of operational costs amount to € 3,026,765 which averages €539 per km. When operational costs of **€ 1,206,950** are taken out of consideration there is an allocation available for Local Road Maintenance of **€2,287,00**.

This amount is to include all types of maintenance including verge trimming, drainage, renewal and provision of signage and general road maintenance.

Local Road General Maintenance – Council Funds		
Municipal District	Length of Road Local Roads KM	Total Allocation
Athenry / Oranmore	555.40	€ 226,296
Ballinasloe	1350.98	€ 550,453

Total	5,613.00	€ 2,287,000

Winter Maintenance

An allocation of **€ 60,000** is set aside to provide for costs associated with Winter Maintenance on Non-National Priority 3 routes which cannot be charged to the Winter Maintenance grant provided by the Department of Transport. Such costs include a portion of the on-call cost, mobile phone costs etc.

Greenway Maintenance

While significant investment has been made in recent years for the provision of Greenways nationally, the Conamara Greenway has progressed significantly in County Galway with 14Km of greenway now open to the public. With this additional infrastructure comes additional maintenance costs and a provision of **€30,000** has been budgeted for the maintenance of Conamara Greenway during 2023.

Clár Bóithre / Roads Programme 2023

School Flashing Lights

There is an allocation of **€ 60,000** set aside for the repair and maintenance of school flashing lights. There are 160 sets of school flashing lights in County Galway.

Public Lighting

A figure of **€ 2,200,000** from the Council's own resources is provided in the 2023 budget towards the cost of the public lighting programme, this relates to maintenance and energy cost of public lighting. This is an increase of €850,000 on the 2022 allocation.

Community Broadband & WiFi

The 'WiFi4EU' is funded by the EU and the Department of Rural & Community Development (DRCD) for the installation of 40 WiFi points around the County in 2021. The Operational cost for this service will be borne by Galway County Council, with an estimated annual running cost of **€50,000**.

OTHER SCHEMES

DRCD - Local Improvement Schemes

Since 2017, the Department of Rural and Community Development (DRCD) introduced ring fenced funding for LIS and proposes to continue to operate this scheme in 2023.

A call for applications was issued in early January 2021, with a closing date of 26th February 2021. Applications were evaluated and prioritized. At present there are 139 applications on hand with an estimated value of almost €8 million. It is intended to continue to progress projects on the priority list submitted to the Department in 2021.

An allocation of €954,736 has been received for 2023 with an additional ring-fenced allocation of €250,00 for the island communities.

The objective of the LIS is to fund the construction or improvement of non-public roads. Each local authority must submit a Priority List of eligible road projects which will be completed within this allocation. A Secondary List of eligible roads will also be submitted which can be used to select substitute road(s) in the event that a road on the Priority List cannot be completed.

The allocation of €954,736 will facilitate the next 23 schemes, with a balance of 116 schemes to be completed. With the ring fenced island allocation , the Council expect that each island will have one scheme completed with the €250,000 allocation.

NTA - Active Travel Programme 2023

The Programme for Government (Published June 2020) includes significant and ambitious targets for the development of walking and cycling schemes. This is a multi-annual capital programme. Funding has been provided by the National Transport Authority (NTA) for an Active Travel Team consisting of three technical staff and one administration staff. It is intended to build upon this team and develop in-house expertise in terms of developing Active Travel Designs and Infrastructure.

The Infrastructure & Operations Unit of Galway County Council has been working with the NTA to develop a 2023 Programme for Active Travel for County Galway. A total allocation of **€3,000,000** has been approved for 2023 for various projects under the following categories:

Strategic - Delivery of a suite of Transportation Plans and Strategies for Galway County which include: Development of a Transport Modelling Assessment (TMA) for the County; revision of the current 2002 Galway Planning and Transportation Strategy to align with the 2022 Galway Transport Strategy and the County Development Plan; development of Local Area Plans (LAP) and Local Transport Plans (LTP) & Community Transport Plans; review and update of the Galway County Council Walking & Cycling Strategy

Active Travel Design Schemes - Plan and develop Active Travel Design Schemes for multiple locations throughout the County

Footpath Works - Design and construct Foot, Cycle and Foot/Cycle Path schemes at various locations throughout the County to improve pedestrian connectivity in towns and villages

Safe Routes to Schools - Design and delivery of a series of Safe Routes to School projects across the County which will include the identification and demarcation of School Streets, School Zones and School Gateways; design & installation of Pedestrian Crossings, Junction Tightening and Footpath measures on identified Routes To School; Installation of Cycling Infrastructure; support the roll out of additional measures such as Park n Stride and School Streets initiatives. This includes 7 schools in Round 1 with another 5 SRTS Schools to follow in Round 2.

Cycling Facilities - Provision of Cycling Infrastructure and facilities at various locations throughout the county
