#### County Galway Joint Policing Committee - Annual Work Plan 2023

The function of the County Galway Joint Policing Committee is to serve as a forum for consultation, discussion and recommendations on matters affecting the policing of the County of Galway.

The Joint Policing Committee recognises that it is imperative that local issues are addressed collectively and strategically with a strategy focused on achieving coordinated actions to support enhanced policing and crime prevention.

The work of the County Galway Joint Policing Committee is focused on areas where cooperative and collaborative actions can add most value to the existing work of relevant stakeholders.

The Annual Work Plan 2023 for the County Galway Joint Policing Committee focuses on enhancing overall efforts to address key issues affecting community life including:

- Crime Prevention and Rural Crime
- Anti-Social Behaviour and Street Crime
- Misuse of Drugs and related Crime
- Support for Crime Victims
- Illegal Dumping & Litter Awareness
- Cyber Fraud Crime
- Education & Awareness Programme for Schools

The Annual Work Plan also supports the Joint Policing Committee in being pro-active in making constructive inputs in relation to policing plans and relevant local authority plans and initiative and in supporting local Garda management and local authority management in relation to any relevant consultation which may arise with respect to Garda or local authority plans.

The Annual Work Plan for 2023 reflects the decisions made by the Joint Policing Committee, that the most beneficial and practical mechanism by which to progress the work of the JPC and deliver on strategic objectives, was the formation of our two sub-committees.

- Education & Awareness School Programme Sub-Committee
- Illegal Dumping & Litter Awareness Sub-Committee and Crime Prevention/Personal Safety Sub-Committee

The following details a summary of the actions to be taken during 2023 to deliver on three of our strategic objectives:
