11,541/1896. } Stating that they will not object to the Returning
18th March } Officer employing such assistance, and for so long, as may be absolutely necessary to enable him to complete the election of Guardians in due time.

9,560/1896. } The Board have had under consideration
21st March } the resolution of the Guardians adopted on the 4th instant, requesting that certain surcharges made by the Auditor on the 31st October, 1895, might be remitted, and the Board observe that the surcharges to which the resolution refers were all made in respect of out-door relief afforded to persons occupying more than a quarter of an acre of land, on a date subsequent to the expiration of the Orders authorising the administration of

of such relief validated by the Out-Door Relief (Ireland) Act, 1895.

The Board would bring under the notice of the Guardians the stringent nature of the provisions of Section 2 of the Poor Relief (Ireland) Act, 1882, respecting this matter, and they would point out that no sanction on their part would render legal any payment which has been made by the Guardians in violation of an express statutory prohibition.

Under these circumstances, it seems to the Board that the Auditor is acting within his discretion in the cases referred to by the Guardians, and the Board must leave the matter in his hands.

9,560/1896. } The Board have had before them the Minutes of
21st March } the 4th instant, containing reports by the Master of the Workhouse and the Visiting Committee relative to the quality of the meat supplied on the 28th ultimo; and with reference thereto, the Board desire to state that the Contractor should be compelled to adhere strictly to the terms of his bonds.

^{25th} Nov. '96 Application from Luke Talty to be allowed to leave the Workhouse and seek employment, and if successful, he will send for his wife and children.
