The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon as follows:—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively to the following effect (or Orders made on them respectively as follows):—

29553/96. } Acknowledging the receipt of Minutes of the 15th
21st July. } instant, containing an entry of the receipt
of a letter from an inmate of the Workhouse
named Patrick Bodys, in which he complains
that he cannot obtain a pair of boots which he
delivered to the Shoemaker in September last;
and the Board desire to point out that, under
the provisions of Article 67, paragraph 4, of the
Workhouse Rules, the boots should have been
placed in charge of the Porter, who is responsible
for the custody of all clothing, &c. of persons
relieved in the Workhouse. The Board
request to be informed why this rule was
not complied with in the present case.
*The Guardians must admit irregularity
in this case, and they have cautioned the*

*Porter to be more particular in taking up
inmates' clothing in future, and they have
punished the Shoemaker by compelling him
to provide at his own expense a pair of boots
in lieu of the missing pair.*

9th July '96. } From the Clerk of Union, Claremorris,
forwarding a copy of a resolution adopted
by the Guardians of that Union as follows.

RESOLVED—That this Board views with regret the amount of
abuses practised at Poor Law Elections in this country,
through the present system of public voting, and that we now
appeal to the Government to press forward a Bill for Ballot
Voting, which we consider would be a boon to the Ratepayers
and Guardians alike."

Adopted unanimously.

22nd July '96. } From Dr. Grealg, Workhouse Apothecary,
applying for four weeks' leave of absence,
and stating that he has made arrange-
ments for the satisfactory discharge of his
duties, under the supervision of the Medical
Officers, during his absence.
