From the Limerick Steamship Co., protesting against the action of the Board of Guardians on the

the 12th inst. in giving their decision in favour of another tender for the supply of 300 tons of coals to the Workhouse at an advance in price of $1\frac{1}{3}$ ^d per ton over the price quoted by this Co., and for a description of coal which is not superior to the quality for which they quoted. The obvious result of this must be that competition in Union contracts will be destroyed, and such a course is not adopted in the best interests of the Board of Guardians or those of the rate-payers.

Read Letter from L.G.B. No. 33210/1901, dated 14th June, stating that

the Board have had before them the Minutes of the 5th inst. containing an entry of their letter of the 3rd inst. forwarding a communication received from the Rev. M. Farragher, P.P., complaining of the delay in providing a temporary substitute for the Medical Officer of the Galway No. 3 (Bran) Dispensary District during the illness of the late Dr. Keen. The Board observe that the Guardians in reply to the complaint make reference to their resolution of the 17th April last in which they stated that they made the best arrangements possible under the circumstances, pointing out the facts of the case in detail, and observing that the Guardians will agree with them that it is not satisfactory that the District should be thus left without the services of a Medical Officer, and they trust that the Guardians will endeavour to make arrangements in future to secure to the sick poor such medical attendance as they may require in similar emergencies.

The Board are further of opinion that a full explanation should be demanded from Dr. H. A. Lyden with regard to his failure to proceed to Inan Island on the 11th of April.

Order Dr. H. A. Lyden to be called upon to furnish the explanation as suggested.

 "Three cases fever Irishman, two typhus, one

 to prevent spread; typhoid clearly points to want
 of proper sanitation of which I have already

 my complaints, which are clearly well founded,
 to go unheeded, must appeal to Local Government
 Board, in the interest of public. Hope Board

Report at the expiration of 3 months service, as called for in L. G. B. letter No. 21,373, dated 20th April, 1901.

The following Orders of the Local Government Board for Ireland were laid before the Board and directions given thereon, as follows:—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively as follows:—

The following resolutions proposed by Mr. P. Casserly and seconded by Mr. M. Walsh, were unanimously adopted.

1. That we beg to express in the strongest terms our dissatisfaction at the way the main drains of the Carrabrowne District are kept by Mr. B. Townsend, C. E. The lands adjoining these drains are flooded in the harvest time causing the loss to the tenants of their potato and other crops. That we are informed on good authority that 10 per cent. of the money paid by the landlords has ^{not} been expended on the drains. That we appeal to the Drainage Trustees to consider the hardships endured by these tenants, ^{to apply a remedy,} otherwise they will be obliged to cut the roadway to let the flood from the South

South to the North run into the river to save their crops.

- 2, That we, as representatives of the ratepayers beg to tender to W. A. Persse Esq. our sincere thanks for offering to the tenant farmers in and around Galway the services of a bull to improve the breed of cattle, free of all charge. Also for importing and selling at the lowest price the very best seeds.
