

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

Read Letter from L.G.B. 1920444/02 dated 29th April, 1902, stating that

they have received from their Medical Inspector, Sir A. MacB. Ullagh, his report on his recent inspection of the Dispensary Districts of the Union, enclosing extracts therefrom, and requesting that the several important matters to which they relate, may receive the Guardians' consideration.

Galway No. 1. Damp comes in at one end of the Dispensary buildings, and the eave spouting and ventilator appear to be out of order. The amount expended on the purchase of Emplast. Belladonnae during the past year, namely, £13-1-0 appears to be excessive, as is, also, the amount expended on lint, namely, £7-10-0. A list of all the instruments provided for use in the Dispensary has not been submitted to the Clerk. No Midwife has been appointed for the District. The Medical Officer considers that such an Officer should be appointed. The Medical Officer has not furnished to the Guardians his account, Form H, for some time. The date of last account was July 1900.

Galway No. 2. No Midwife has been appointed for the District. The Medical Officer considers that one is required. The date of the last account, Form H, furnished to the Guardians by the Medical Officer was June 1901. The Medical Officer returned 121 Vaccination defaulters in his last Report, Form P. The Vaccination sets are not efficiently administered in the District. Vaccinations were performed in

April, May, and June, 1901, but were not entered in the Register until February, 1902.

Galway No. 3. There are no sanitary conveniences in the Dispensary for the use of the patients. A complete list of the instruments provided for the use in the Dispensary has not been submitted to the Clerk. Notices in regard to the prevention of Consumption have not been posted at the Dispensary.

Drammore. The Dispensary is rather damp. The waiting-room is very small, and there is no fire-place in it. The water closet at the Dispensary is out of order. The cost of the medicines supplied during the past year, namely, £15-12-0, appears to be very excessive. The invoices of the medicines supplied for use in the Dispensary are not sent in proper time. A key is required for the poison press. A complete list of all the instruments provided for Dispensary use has not been submitted to the Clerk. A tabled case was ordered by the Medical Officer in April, 1901, but was not received by him, although its cost was included in the Medicine Bill sent by the Contractor.

Stoyacullen. The ceiling of the Dispensary requires to be repaired, and the Dispensary should be kept cleaner than it is at present. There are no sanitary conveniences for the use of the patients.

Turloughmore. The counter in the Dispensary requires to be repaired. There are no sanitary conveniences at the Dispensary for the use of patients. Fires are lighted twice a week at the consulting and waiting rooms, but in winter during wet weather they ought to be

lighted oftener. A new Medical Relief Register is required. The Medical Officer should send samples of drugs for analysis immediately on receipt of the Medicines. A Key is required for the poison press at the Dispensary. A complete list of all instruments provided for Dispensary use has not been submitted to the Clerk.

Spiddal. Both of the Dispensary buildings, especially at Cartronlahan, are damp. The flooring at the Spiddal Dispensary requires to be repaired. There is not a sufficient supply of seats at Spiddal Dispensary, and there are no sanitary conveniences for the use of patients. Fires ought to be lighted at Cartronlahan Dispensary in winter time oftener than once a week. A complete list of instruments provided for Dispensary use has not been submitted to the Clerk. No Midwife has been appointed for the District. The Medical Officer considers that a Midwife should be appointed.

Order the officers and other persons referred to in this report to be furnished with extracts therefrom. The repairs at the Dispensaries recommended to be carried out;

28th Apr. 02, Notice from Sir A. Macburlagh, L. S. Medical Inspector, that he will hold an inquiry on oath into the necessity or otherwise for the appointment of a Midwife for Galway Nos. 1 & 2 Dispensary Districts in the Board Room, on Monday, 5th Proc. at 11.30 am.

Resolved - that the Inspector be asked to postpone the inquiry to the 8th Proc. as an important local fair will be held on 5th Proc.

Next Meeting of the Guardians to be held on WEDNESDAY, the 7th

day of May, 1902,
