Read Letter from L.G. Board, No. 26840, dated 15<sup>th</sup> May, 1902, stating that

they had before them the Medical Officers' Returns, Form L, relating to the several Dispensary Districts of the Union for the Quarter ended the 31<sup>st</sup> March last. The Board regret to have to call the attention of the Guardians again to the unsatisfactory state of vaccination in the Union and they request that the Guardians will confer with their Medical Officers with a view to ascertaining the cause of the backward state of vaccination in the Union.

The Guardians beg to observe that defaulters have been prosecuted recently, and this course has had the effect of inducing many persons to comply with the law.

Order. The Returns, Form P, for the past Quarter to be placed in the hands of the Relieving Officers with instructions to report thereon without delay.

In regard to the complaint of the Medical Officer of the Crummore Dispensary District that there is not a proper consulting room at the dispensary, the Guardians beg to observe that they have on many occasions given expression to their opinions on this subject.

evidence taken at the Inquiry. All the witnesses produced at the Inquiry urged the necessity for the appointment, and the Board on a review of the evidence, entirely concur in the opinion that, in the interests of the poor, a Midwife should be appointed, and they trust that the Guardians will be so good as to take the requisite steps to fill up the existing vacancy in the office without any further delay.

Minutes of Evidence returned with the copy of Minutes to the L.G. Board.

Resolved. That consideration of this matter be deferred to the meeting of the new Board on the 18<sup>th</sup> prox.; that notice be given to each member that it will be considered on that date.
