The Reports of the Master and other Officers were read, and orders made thereon, as follows:—

The Meat Contractor having failed to supply the required quantity on the 25th inst. I purchased a supply in town and debited the Contractor with the extra cost. By direction of the Medical Officer I returned a quarter of Beef supplied on yesterday. The Contractor supplied good Meat instead.

Approved.

The Inspector under the Food and Drugs Act, took samples of the milk delivered by the Contractors on the 26th inst., and Butter delivered on the 27th inst., to have them sent for analysis.

The milk supplied by Contractors Carr and McGrath was under the Standard once during the week, registering only 5 degrees each. They forfeit the milk, 5 and 6 gallons respectively.

The Schoobays were out for exercise twice and to bathe three times during the week.

D. Colahan, Workhouse Medical Officer, applied for, and was granted a month's vacation. He recommended the appointment of D. Sandy as his Substitute.

Proposed by M. M. J. Burke. Seconded by M. M. Crowley, and Resolved - That D. Sandy be appointed to act as Substitute for D. Colahan at a remuneration at the rate of £3.3.0 a week.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon, as follows:—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively), as follows:—

42,984/04 }
25th August } Requesting to be informed when the Visiting Committee is expected to report on the several matters adverted to in the recent half-yearly Report of Major Rutledge-Fair on the Workhouse.

Order. The Visiting Committee to be summoned to meet on Wednesday next, the 7th prox., at the hour of 11.0 am to consider the several matters referred to by Major Rutledge-Fair, and report thereon to the Guardians at their next Meeting.

42,852/04 }
29th August } Acknowledging the receipt of replies to their inquiries respecting the appointment of John Hanly as Porter in the Workhouse of Galway Union, and stating that the Board have sanctioned his appointment on probation, for a period of six months, on the terms specified, namely, a Salary of Seventeen Pounds a year, with rations and an Allowance of Eight Pounds a year for his services as Superintendent of the Disinfecting Chamber.

49, 64/64
30th August. Acknowledging the receipt of replies to their inquiries respecting the temporary employment of Miss Mary Gertrude Saunders as Nurse in the Workhouse of Galway Union, and stating that they have sanctioned the proposed payment of remuneration at the rate of One Guinea a week, with rations, in her case.

23
23rd Aug^r 1904 From the Engine, Boiler & Employers Liability Insurance Co., stating that they are sending their Inspectors round the District again, and should nothing unforeseen prevent him, he will make an external examination of the Boiler at the Workhouse which preferably should be under Steam, on 1st September.

Order The Steam Boiler Attendant to be instructed to have the Boiler under Steam, and ready for inspection on the date mentioned.

31st August 1904 From D^r Grealy, Apothecary of the Workhouse and Galway (142) Dispensary District, stating that he did not think it necessary to get a qualified Substituti, during his absence on vacation, as the Guardians were satisfied with the arrangements he had made, which were the same as those made for the past 18 years. He waited for a fortnight, and not receiving a reply from the L. G. Board he took it for granted that they would offer no further objections. In all Dispensaries where there is not an Apothecary, the Medical Officers are legally qualified to make up their own prescriptions, and he thought they would be allowed to do the same here during his 3 or 4 weeks absence, more especially as the additional work thrown on them would be greatly lessened by the help of his Assistants. Further stating that he returned to duty on the 27th inst, before his

leave was expired, on hearing of the communication from the L. G. Board. Trusting that his explanation will be deemed satisfactory.

Proposed by Mr. J. C. McDermott, Seconded by Mr. M. Crowley, and unanimously,

Resolved - That the Guardians are perfectly satisfied with the manner in which D^r Grealy's duties were discharged during his absence, and as he had to return and resume duty a fortnight before the expiration of his leave, we now permit him to go on leave for this fortnight, arranging for the discharge of his duties as heretofore.

31st Aug^r 04 From Miss Sarah Brennan, Fever Hospital Nurse, applying for a month's vacation.

Proposed by Mr. J. J. Conolly, Seconded by Mr. M. J. Cooke, and

Resolved - That Nurse Sarah Brennan be granted a month's vacation, her duties to be performed during her absence by Nurse Annie Tormey, who is at present doing duty as an Extra Nurse in the Fever Hospital.

The Acting Clerk reported, that as directed by the Guardians at their last Meeting, he submitted 8 Samples of Tea received by him, to the Vins for testing. Each Sample had a number on it but no name.

The Vins reported that Sample N^o 8 was the best, and Sample N^o 3 second best.

Sample N^o 8 was that submitted by Lipton Ltd, Shop St, and Sample N^o 3 by Mr. E. Guilfoyle, Flood St.

Proposed by Mr. M. J. Cooke, Seconded by Mr. P. Murray, that Mr. Guilfoyle's tender be accepted.

Proposed by Mr. J. J. Conolly, Seconded by Mr. M. Redington that the tender of Messrs Lipton Ltd be accepted.

On a division being taken, the Amendment was declared carried 6 Guardians voting for, and 3 ag. against, One Guardian declined to vote.
