Seed Potatoes Supply.

1797/05, } From the L. F. Board, returning the estimates
11th April, } and forms relating to the Supplemental loan of £1508¹¹ 13. 8 applied for by the Board of Guardians for the purchase of Seed Potatoes, and pointing out that, allowing for the error of 100 cwt. in the Estimate and Form F. 1, for the Claregalway C. D., the total of the seeds to be supplied appears to be 949 tons 8 cwt. As only 940 tons have been sanctioned full particulars of the variety of this excess quantity, the contractor by whom supplied, and the price of the Seed should be furnished.

Many valuations are omitted from the lists of occupiers and these should be inserted in all cases, and if the seed has actually been distributed to the occupiers of holdings in excess of £15 valuation it should be forthwith returned or paid for in full in cash. This course should also be followed with respect to the Seed in excess of 6 cwt. supplied to cultivators.

If the seed has not been distributed the former cases should be deleted from the lists, F. 1, and the amounts in the latter cases reduced to 6 cwt. The estimates should be brought into agreement with the forms and all the documents returned not later than Friday next, together with the documents which accompanied the Board's letter of the 14th Feb last relating to the loan of £2507. 3. 0.

940 tons of seed potatoes were sanctioned, purchased, supplied, and distributed without the loss of a single bag being incurred. The documents

shall be returned on Friday next.

Turloughmore. Ordered of Contractors,

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively to the following effect (or Orders made on them respectively, as follows) :-

Read Letter from L.G.B. No. 18082/05, dated 6th April, 1905, stating that

with reference to the entry in the Minutes of Proceedings of the Guardians on the 15th ult. respecting the contracts for the supply of Medicines and Medical and Surgical Appliances to the Union during the current year, the Board observe that the tenders sent in by Mess^{rs} Sumner of Liverpool were lower than those accepted by the Guardians. While the Board consider that the Guardians are bound to give the contracts to the persons offering the best terms, unless they can show good reasons for not doing so, they, nevertheless, are of opinion that it is not advisable that any one contractor should hold too large a proportion of these contracts, and, as Mess^{rs} Sumner have already secured as many contracts as should, in the opinion of the Board, be in the hands of one firm, the Board will, not, on this occasion, oppose the Guardians' wishes in the matter.

Order. Mess^{rs} Clarke & Co, to be informed that they have been ^{debarred} ~~appointed~~ contractors for the supply of Medicines and Medical and Surgical Appliances to the Union for the current year.

5th Apr. '05. From Dr. Kinsella, Medical Officer of the Galway No. 3 Dispensary District, stating that he had arranged with Dr. McDermott, Galles Hospital, to act as his substitute during his fortnight's vacation.

11th Apr. '05. From Dr. Siskey, Medical Officer of the Spiddal Dispensary District, claiming £1. amount expended by him between 25th 3'04, and 11-4'05 for stationery and incidental expenses.
Order. To be asked to furnish a detailed statement.

The Analyst furnished a report on samples of drugs received from the Galway No. 3 Dispensary District.

The original accompanies the copy of Minutes to the L.G.B., and a copy has been sent to the Medical Officer.

Order. Dr. Elynn, Medical Officer of the Kurloughmore Dispensary District, to be informed that as he has failed to fulfil his promise to remunerate Dr. Kirwan for attending a patient in his District, the Guardians will discharge Dr. Kirwan's claim for £2-2-0, as his services were requisitioned by the Relieving Officer, and deduct the amount from his (Dr. Elynn's) salary.
