The inmates are not left months
without a change of socks, the socks are washed
and repaired as regularly and as quickly as
possible by the old women of 60 and 70 years.
I should be very sorry to treat the poor as re-
presented.

Yours faithfully,
The Matron."

6th Sept. 05, "Gentlemen,

In compliance with your order
of Wednesday last, I have gone through the male
side of the Workhouse giving changes of stock-
ings where necessary, and found them in
very fair order. We have always some trouble
with them saying they do not require a change.
However I promise you they will be strictly
looked after in future to avoid complaint.

Your obedient servant
Edward J. Athy, Master.

On the motion of Mr. H. Redington, seconded by
Mr. M. Ryan, it was
Resolved - That the Master of the Workhouse
be required to go through the Workhouse each
week and inquire of the inmates whether they
have any complaints to make. If complaints
are made, he is to report them to the Guardians
at next meeting.

6th Sept. 05, From Margaret Gaskell, tendering her resig-
nation as Wardsmaid in the Workhouse as
she is going to her daughter in America.
Accepted on a month's notice.

considered at meeting on 20th inst.

pital, complaining that the Sanitary Sub Officer
of the Galway Urban District sent some beds and
bedding to the Fever Hospital on an open
donkey cart - for the purposes of disinfection,
that he informed that officer that by his act he left
himself open to a prosecution for endangering
the public health; that clothing, &c. of fever
patients should only be brought in the vessels,
and the van provided by the Board of Guardians
for that purpose. The Sanitary sub officer came
some time after to his lodge and spoke very
strongly about sending him such a message,
that the Fever Hospital was the place the clothing
and other articles should be sent to. &c.

Order - The Sanitary Sub Officer for the Urban District
to be informed that the Guardians have directed

that he must give due notice at the Workhouse when he requires clothing, &c. of fever patients removed to the Fever Hospital for disinfection; and that such will be taken in there only when brought in the vehicle provided by the Guardians for that purpose.

In pursuance of notice given for this date Mr. Ryan moved - that all the old men and women in the Workhouse be allowed 1 oz. of tobacco extra each week.

This motion was not seconded.

It was proposed by Mr. N. Lydon, seconded by Mr. M. J. Cooke, and unanimously Resolved - that inmates of the Workhouse to whom tobacco is ordered be allowed $1\frac{1}{2}$ ozs. weekly; also that tobacco pipes be supplied to them.

Order - The Master to procure Beef suitable for Beef Tea at a price up to 8d per lb., while the patients in the Fever Hospital are over the usual number.

Please deduct each quarter from my salary the sum of £12 and pay to H. Malley Esq. Solicitor Nassau St. Dublin until my account with J. Levin Esq. Nassau St. Dublin, (to whom Mr. Malley is Solicitor) is

cleared.

V. Sincerely yours,

Thomas Hickey,

The Guardians beg to be informed by the Local Government Board whether it would be in order for them to comply with this request.

6th Sept. 05 From Mr. H. Deeny, N. S. Teacher, Spiddal, requesting to be furnished with a list of the children from the Spiddal School District who have been in the Fever Hospital, giving the date of discharge in each case and the time which must elapse before they can be safely re-admitted to school. That he is compelled to make this application because today, a pupil who to his knowledge had been in the Fever Hospital, came to the school, and being in doubt as to whether he could safely admit him he advised the boy to see Dr Hickey, the local Medical Officer, and ask a certificate from him. The boy did so, but Dr Hickey stated that it was the Dr who saw him last (presumably in Hospital) who should be consulted. Dr Hickey offered to give a certificate if paid a fee of 3/6 therefor. He (Mr. Deeny) paid the 2/6 as the boy's parents are very poor. Asking advice as to the course to be adopted in the event of similar cases cropping up.

Order The list called for to be furnished.
Resolved - That we request to be informed by the Local Government Board whether the Dispensary Medical Officer was justified in demanding a fee in the circumstances.

Notice of Motion.

"I beg to give notice that on this day fortnight I will move, or some Guardian on my behalf will move that the resolution granting an annual increase of £5 in his salary to the Porter of the Galway Dispensary be rescinded."

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively to the following effect (or Orders made on them respectively, as follows):—

Read Letter from D. Hickey, Spiddal, dated 9th Sept: 1905 stating that

he has noticed in the "Galway Express" that the Guardians received a letter from McDeeny, N. S. Teacher, Spiddal, relative to his action in demanding a fee of 2/6 for a certificate given to a pupil attending at Spiddal National School. McDeeny's anxiety on behalf of the public health is, no doubt, commendable, but in the present instance it borders very closely on officiousness if not on impertinence. That under the terms of his appointment as Dispensary Medical Officer he is unaware of being under any obligation to give certificates either paid or unpaid for in such cases.
