Stating that they have received a telegram from Mr. Murphy, Solicitor to the Guardians, relative to the payment without taxation of his Bill of costs; and in reference thereto, and to the entries on the subject in the Minutes of the 25th of March last, and the 29th ult., informing the Guardians that the Board do not approve of the payment of costs without taxation in cases where the amount exceeds £20, and that their approval would not in any case make the payment valid if any person chose to question it. In permitting the payment of smaller sums without taxation the Board are to be understood as merely signifying that, so far as they are concerned, they will raise no objection, but such intimation would not protect the Guardians in the event of their action

In response to advertisement Messrs. Fleming
Bros. & Co.

Order. The attention of the Galway Urban District Council to be directed to the necessity of having only qualified persons returned on their Rate Books as Rated Occupiers, for the reason that the Registers of Voters are prepared from the Rate Books, as complaint has

been made that the names of deceased persons and of those who have ceased to occupy premises, are retained on the Rate Books to the exclusion of the real occupiers, which means the disfranchisement of the latter.
