The Reports of the Master and other Officers were read, and orders made thereon as follows:—

Order Both Officers to be Severely Cautioned.

Alfred Williamson was transferred to the Workhouse from the Dist. Lunatic Asylum on 21st inst. He left on same date.

Probationer Nurse Kiemeavey was absent (by permission of the Medical Officer) from the Fever Hospital, from 21st to 23rd inst.

Four wire Mattresses are required for the Male Hospital Wards.

Order The Guardians' thanks to be conveyed to the Manager.

The following Letters from the Local Government Board for Ireland and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows):—

624/09
19th August
Adverting to previous Correspondence respecting the proposed appointment of Dina Tully as Wardsmaid in the Workhouse, and stating that they have now sanctioned the appointment on the terms specified in the replies to the queries, namely, at a salary of £3 a year, with rations of the estimated weekly value of 2/6.

99,258/09
20th August
Stating that they have had before them the Resolution of the Guardians on 11th instant, requesting sanction to pay the Schoolmaster of the Workhouse his salary from the date of his appointment; and, with reference thereto, the Board desire to state that the delay in sanctioning the appointment was caused by the fact that inquiries as to Mr. Quoy's fitness for the post had in the first instance to be made to the Board of National

Education, and that it then appeared to the Board to be necessary that their Inspector should see Mr. Leagle and report to them as to his suitability. Major Rutledge-Jain's first report was unfavourable and he was requested to see Mr. Leagle again which he did on the 25th ultimo, and, on the 27th ultimo, the Board sanctioned the appointment. In the circumstances the Board are not prepared to authorize a departure from the usual custom which is that an officer's salary does not become payable until his appointment has been sanctioned.

21st August. From Captain G. Wynne, L.C. Auditor, giving notice that he will open the audit of the accounts at the Board Room, Workhouse, on Tuesday, the 31st inst, at 2 P.M.

The Acting Clerk reported that he had issued all the necessary notices.

Mr. W. J. O'Donohoe submitted a bill for the taking the Schoolboys out for exercise for 8 weeks, during the time the office of Schoolmaster was vacant, at 3/6 per week - total £3-0-0

Payment ordered. Sanction of L.C. Board requested.

In response to advertisement, 3 tenders were received for the painting of all external wood and iron work throughout the Workhouse and Dispensary Buildings, viz:-

James Rustace	for the sum of	£57-13-9
Fleming Bros,	" " " "	49-0-0
J. Carr & Sons	" " " "	43-15-0

The tender of Messrs J. Carr & Sons was accepted.

Report of Visiting Committee

A Committee consisting of Sir James O'Donohoe, Messrs J. Griffin, W. B. Griener, J. Lee, P. Lawless, and Mr. J. Cooke visited the Workhouse today, and they beg to report as follows:-

- 1 They recommend that a block of timber about 15 inches broad, by 9 or 12 inches high, be procured and fixed on the floor in front of the basins in the lavatory attached to the Male School, so as to enable the smaller boys reach the basins and wash themselves with greater convenience.
- 2 That the ceiling of Male Infirmary Ward No. 3 be shuted with timber.
- 3 That some arrangements be made for the enlargement of the Day Room for Infirmary Men, as it is always very much overcrowded.
- 4 That the Guardians take into consideration the question of having the passage leading between the Male and Female Hospital Wards covered in.

The Committee visited all the Wards in the Hospital, both Male and Female, also the Male Infirmary Wards, and they found each of them scrupulously clean and neat. The patients and inmates spoke in the highest manner of their attendance and treatment.

The Meat and Bread as found in the Store appeared to be of excellent quality.

Finally, the Committee expressed their approval of the general superintendence and management of the Workhouse, and they specially desire to place on record their high appreciation of the noble and self-sacrificing work carried out by the Sisters of Mercy, work which at all times must be very trying amongst so much suffering and misery.

Dated 19th August, 1909.

Guardians Observations

1. That the blocks of timber as recommended, be procured and fixed in the boys' lavatory
2. That the Engineer be asked to submit an estimate for the Shutting of Infirmary Ward No. 2.

Arrangements to be made for the issue of adverts, for Annual Supplies. Tenders to be considered on 15th prox.

The Acting Clerk reported, that, as directed, he summoned a Meeting of the New Town Hospital Committee, for 11 o'clock today. Three Members attended, Messrs Dr. Redington, P. Lawless, and J. F. Egan. They visited the building and reported that all windows and door Reveals are composed of Concrete, and they cannot say whether the Specification contains a clause, permitting Concrete to be used instead of Stone.
