The Board understand that in many Workhouses efforts are made to impart instruction to as many children of this class as possible, provided they can attend in school; but in order to ascertain whether any further steps can be taken to meet the views of the Com^{rs} by imparting separate instruction, if necessary.

THE PAUPER CHILDREN (IRELAND) ACTS,
And CHILDREN ACT, 1908.

27th July '10

From Rev. W. Conway P.P. Glumamaddy, relative to children from Galway Workhouse who are boarded out in his Parish. Stating that Joseph Sullivan, who is now over 15 years of age, is unfit to go to service. Inquiring if he can be allowed to continue a while longer with his foster parents? The foster parents of Francis Wymme, also over 15 years, are willing to employ him, what will be the wages?

A member of the Ladies Committee reports that the child Michael Flaherty is being badly treated by his foster parent, Luke King. He visited the home several times & found nothing seriously wrong. He questioned the child but nothing could be drawn from him. It would be well if Miss Fitzgerald-Kemney visited & ordered the removal of at least two children from James White & John Morgan - both having neglected repeated warnings to keep the children more regularly at school.

Order. To be informed that the Guardians are willing to allow the boy Joseph Sullivan to remain with his foster parents ^{until 30th Sept next} for another month on the distinct understanding that the allowance of 3/- a week was stopped from the 30th etc. The wages to be paid Francis Wymme will be at the rate of £4 a year. The attention of Miss Fitzgerald-Kemney, Lady Inspector, is directed to the remarks of the Rev. W. Conway, re negligent foster parents.

THE PAUPER CHILDREN (IRELAND) ACTS
AND CHILDREN ACT 1908

warded by the Medical
Officers to the Board of

Reports (Form P, containing the names of children born in the District who are
over 3 months of age and have not been vaccinated) from the Medical Officers of the
following Dispensary Districts, viz:—

Galway, No. 1, _____ defaulters.	Oranmore, _____ defaulters.

do. 3, _____ "	Tourloughmore, _____ "

were laid before the Guardians, and directions given thereon as follows:—

Estimates of the Medicines, &c., required by the Medical Officers of the under-
mentioned Dispensary Districts were laid before the Board, and directions were given
thereon, as follows:—

Galway No. 3, Medicines, £7-8-11, Appliances, £0-0-0
Spiddal " 4-17-11, " 0-14-2
Ordered of contractors.

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows):—

Read Letter from L.G.B. No 49342/10, dated 23rd July, 1910.

forwarding a copy of a communication which the Board have received from Dr John P. Moore relating to the proposed deduction ~~deduction~~ from his remuneration as temporary Medical Officer of the Galway No. 3 Dispensary District; requesting that they may be furnished with the observations of the Guardians on the subject.

Copy of Dr Moore's communication.

I beg to draw your attention to the enclosed letter which I received this morning (16th inst.) from the Clerk of Union, Galway; whilst acting as locum tenens in Aran a consignment of medicines arrived for the Dispensary & I submitted specimens for analysis to the Analyst not being aware at the time of the exact quantities required by the Local Government Board. In view of the fact that my mistake is not irremediable is it not high handed to withhold part of my salary. I request your kind attention to the matter immediately.

The Guardians beg to make observations as follows:—

When Dr Moore submitted specimens of drugs for analysis, the Clerk, finding that the quantity submitted was insufficient, returned them with a request that it be increased. Instead of complying Dr Moore re-transmitted the specimens as before, at the same time informing the Clerk that having done some analysis himself he was in a better position than the Clerk to judge of the quantity necessary; that it was outside the Clerk's sphere to interfere, & he decides the question as to whether Dr Moore was or was not aware of the quantity required for analysis.

In the face of Dr Moore's obstinate refusal to comply with the Regulations, the Guardians considered that they were justified in withholding the sum of £3 from his remuneration pending the decision of the L. G. Board as to whether, in the circumstances, recoupment of half the cost of the consignment of drugs would be allowed. If the Board decide that recoupment will be allowed, the Guardians will be prepared to forward a Paying Order for £3 to Dr Moore.

49304/10. } Adverting to previous correspondence & transmitting
25th July. } a copy of a further communication which the Board have received from Messrs Bailean & Boyd, Medical Contractors, relative to the delay which occurred in the delivery of drugs recently ordered for use in the Galway No. 3 Disp. Dist. of the Union. Messrs Bailean & Boyd promised that the Medical Officer's name ^{would} be mentioned in future in connection with deliveries to this District.

25th July '10. } From Dr Glynn, Medical Officer of Surloughmore Dispensary District, stating in reply to inquiry as to whether he will attend to the duties of the Midwife of the District during her absence on vacation, that he will attend to her duties. Also in reply to Guardians' request for an explanation of the cause of his absence from his District on the 18th inst. — "On my absence from Lachagh, the cause of same was not of buying old cows or making of rotten bread."
Moved by Mr J. O'Donoghue, seconded by Mr N. Lydon, & Resolved. That Dr Glynn be called upon to make

simple apology to the members of the Board to whom he refers in manner so grossly insulting. After receipt of such, the Guardians will decide what further action will be taken, as this is not by any means the first time he treated this Board with contempt.

Moved by Mr. Griffin, seconded by Mr. Heydon, & Resolved - That the Galway Dispensary be not opened on the 3rd prox, the first day of the Galway Race Meeting.

M. Cunningham
