R. Mullery, Esq., Turloughmore, P.O.,
16-5-14th May, 1911.

Sir,
I beg to inform you that I hereby withdraw any charge I made to you respecting Dr. Glynn of Turloughmore. I was vexed at the time and but for that would not make it. Dr. Glynn is the most lying I remain, that could be. I told Brown in the Post Office at Athlone, 27th of April his as I happened to be there when he Michael x Epowne, mark. Application Forms, for to get the deposit, his deceased wife had in the Office, he asked me to witness and sign the Forms for him which I did, telling him at the same time that he should have the death registered and have a certified copy to send with them, which would cost him a shilling. He came Sir, the next day, the 28th to register the death, and had no medical certificate of the cause of death from the Doctor who attended her, after I telling him the day before, the death could not be registered without it. The Postmistress arrived about 3 o'clock - hence was not entitled to admission, and her certificate was pressed. When I would not register as the hours are from 12 o'clock to 2 o'clock you are well aware of that fact. I did not meet the man in the dispensary between these hours. Then what right have you to interfere? Neither did I meet him in the dispensary after that.

As you are well aware I leave the whole registration to John Morris. He keeps the Books. Every copper allowed for certified copies he receives. I take nothing. As for drawing in Dr. Golding's name, I leave such low tactics to you. Dr. Golding and I are on the best of terms and can well laugh at that foul insinuation. Neither Dr. Golding nor any other Dr. visited the deceased. So that puts an end to the jealousy statement. The man went in for a certified copy of his marriage and down to the waiting room I heard he was there and that he he might be allowed to depart in peace. I went a bit of the road, after him and called him back. Your ob. servant,

P. D. Glynn.

Clerk's Office, Workhouse,
Galway, 17th May, 1911.

Gentlemen,
Dr. Glynn has inquired what right had I to interfere
in the matter of the complaint made against him by Michael

Browne of Gardenham. Browne called at my Office on the 6th inst.
pointed out the disfigurement on his face, explained the cause

of it, and begged me to prepare a statement in writing as he was
unable to write, and to bring it before the Guardians at next

Meeting; that he had, before coming to me, made a similar com-
plaint to a member of the Board of Guardians, who is also a

Magistrate. Subsequently I learned from the latter that Browne
had made the complaint to him. This gentleman approved of the

complaint being brought under the notice of the Guardians.
The statement was read over to Browne before he placed his

mark on it, in the hearing of two other persons, and his mark
was witnessed by three persons who signed their names as

witnesses. The writing in the document, purporting to be a withdrawal of
the charges by Browne appears to be Dr. Glynn's, and his mark
has not been witnessed by any body.

The Guardians decided to have the correspondence over
 this unpleasant business entered on the Minutes for the
 information of the L. S. Board.

Subsequently Mr. Melia moved that the explanation
 given by Mr. John Morris in his letter dated the 16th inst,
 be accepted as satisfactory. This motion was not
 seconded. The Chairman remarking that the matter
 was now at an end. (11 words added on 24/5/11 vide this.)

Relieving Officer J. Bullman reported that as Dr. Glyn
 was not on attendance at Sunaghdown Dispensary
 on the 12th inst., she wired to the Clerk of Union to send
 a Doctor from Galway immediately as there was an
 urgent call. Dr. Glyn arrived at 2-20 pm, & she
 then wired again to Galway, but Dr. Waters had then
 started for Sunaghdown.

That she was not able to attend at Lachagh Dis-
 pensary on the 15th inst, but her sister acted as
 substitute.

16/5/11. From Dr. Waters stating that acting on the instructions
 of the Clerk of Union he proceeded to Sunaghdown
 Dispensary on the 12th inst, but on arrival he found
 his services were not required as Dr. Glyn was in
 attendance, applying for a fee of £2-2-0 as he had
 incurred the expense of the hire of a car.

Order, Dr. Glyn to be called upon to pay a fee of £2-2-0
 to Dr. Waters, as it was through his (Dr. Glyn's) default
 the services of Dr. Waters were engaged.

 adoption of the resolution of this Board re Local Tax-

Moved by Mr. Cunningham, seconded by Mr. M. Moloney, & Resolved. That, as has been done by the Galway County Council, the time allowed for the presentation of Paying Orders to the Union Treasurer be limited to a calendar month from the date of issue, as great inconvenience is caused by the retention of the Paying Orders by the Payees for a longer period,

Notice of Eviction,

At suit of Thomas O'Malley against Martin Sheridan from house & land at Barrowmoneash,

The following resolution of the Guardians of the

Newcastle West Union, was unanimously adopted;

Resolved—That, in view of the appointment of a Committee almost wholly English to advise the British Government on Irish Finance; and the fact that that Government has declined the request of many Irish Representative Bodies to nominate an equal number of qualified Irishmen to act on the Committee, this Council considers that an Irish Finance Committee should be constituted to report and advise the people of this country on the present Financial Position.

And, holding that this matter transcends differences of Party, this Council urges Messrs. Thomas Sexton, Barry O'Brien, Laurence Waldron, A. W. Samuels, William Murphy, Arthur O'Connor, Murrrough O'Brien, and Lord Dunraven to act on such a Committee, and to co-opt any other Irishman whom they consider advisable;

We recommend that Lords Killanin & McDermott be added to the Committee.
