The Schoolmaster has been so warned.

27/9/12, } Referring to the Minutes of the 22nd mtg. con-
3rd Dec. } stituting an entry of a report from Dr
McDonogh in which he states: "I examined
" the premises of Pat. Lydon in Henry St. Mick
" Contractor to the Workhouse, on the 20th inst. &
" found them in a worse condition than on the
" previous week. He is again collecting a manure
" heap, for which he was prosecuted a few weeks
" ago." Requesting that the Board may be in-
formed whether milk is being supplied by
this contractor to the Workhouse.

*On the 26th March last, his supply of milk to the Work-
house was stopped, & he was not permitted to
resume the supply until the 8th inst. & then only
on the recommendation of Dr. McDonogh, (side
report entered in the Minutes of this date.)*

29/6/12, } Sanctioning the payment of remuneration

his services as temporary substitute for

Workhouse.

stance of a report which the Board have re-
ceived from their Inspector, Major Rutledge-
Fair, consequent on his recent inspection of
the Workhouse; requesting that the several
matters referred to therein may receive the
careful attention of the Guardians.

With regard to the financial condition of
the Union, there was a small deficiency
against the Guardians on the 31st March
last, but it has been fully provided for in
the present estimate.

The bread was badly baked.

The nursing staff is sufficient, but I think
an additional permanent wardmaid is
required in the Fever Hospital. There is only
one wardmaid employed there permanently.
In a large building like the present Fever
Hospital it is nonsense to suppose that one
wardmaid can do all the work.

A good deal of outside painting is required.
The Visiting Committee never meet unless
specially summoned. The requirements of
Article 59 of the Workhouse Rules should be
complied with in this respect.

Guardians' observations.

*No complaint has been made of the quality of the
bread supplied to the Workhouse.*

*The average number of patients in the Fever
Hospital is small. The permanent officers em-
ployed in the Hospital are: 2 trained nurses,
2 female helpers & 1 porter. Generally there
are 2 probationer nurses undergoing training
in fever nursing. Whenever requisitioned by*

the Medical Officers, extra nurses & helpers are supplied.

The painting of external woodwork & ironwork is being carried out.

27.997/12. } Sanctioning the proposed increase of salary
8th Dec. } of £5 a year to Miss B. Gore, Charge Nurse
at the Workhouse Fever Hospital.

28.282/12. } Approving of the appointment of Miss M. Laffey
8th Dec. } as Nurse in the Workhouse at a salary of
£50 a year, with rations to the estimated
weekly value of 10^s 5^d.

28.344/12. } Forwarding an enclosure to a communi-
18th Dec. } cation which the Board have received from
the Board of National Education relating to
their District Inspector's report on the Work-
house School.

General condition of school, fair.

Remarks. The attainments are not high but
the small number of children, almost all
infants & most of them very young - are
under suitable treatment.

30th Dec. } From the British Committee of the International
Federation for the abolition of State Regulation
of Vice, referring to the proposals for the com-
pulsory detention in Workhouse wards of
persons suffering from Venereal Diseases.
Forwarding a pamphlet on this subject & stating
that they will be glad to supply additional

copies for the Guardians if required.
Order. *To be informed that if copies be forwarded they
will be given to the Guardians.*

3rd Dec. } From Mrs D. C. Walsh, Salt Hill, stating that
her domestic servant entered the Workhouse
Hospital on the 11th May last: that she waited for
her return for a week, & then had to employ
another servant. Hoping that the Guardians
will not require her to pay for the woman's
maintenance in hospital for more than a
week.

Order. *As the servant was hired by Mrs Walsh for a month,
& spent two weeks out of the month in her employ-
ment, Mrs Walsh to be called upon to defray the
cost of two weeks' maintenance in hospital.*

4th Dec. } From the Fire Art. &c. Insurance Co., acknow-
- ledging the receipt of replies to queries respect-
- ing the accident which Mr. C. Zoole, Boiler
Attendant at the Workhouse, met with, stating
that as the accident did not arise out of
or in the course of his employment, no liabil-
- ity attaches to the Board of Guardians in
the matter.

12th Dec. } From Mr. H. Cooke, thanking the Guardians
for their kind resolution of sympathy with
him in the death of his son.

Order. The issue of advertisement for the supply of
300 tons of coal & 100 tons of slack.
Tenders to be considered at meeting on 26th inst.

boy Thomas Tanton told him (Conway) that matters
are improved in his home & that he is quite content
to stay there. Under the circumstances the Guard-
ians did not consider it necessary to remove
the boy to another home.
