Order, To be sent.

The milk was sour once during the past week. It should not turn sour in this weather. I recommend that the Master pay more attention to the milk by testing each contractor's supply in the creamometers as used to be done by the late Master,
W. McDonogh.

The Master was directed to test the milk supplies as recommended.

*The Schoolmaster requisitioned Books for use in his school to the value of 2/6.
ordered.*

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows):—

52354/14 } Referring to the Minutes of the 23rd ult. &
7th Oct. } Sanctioning the arrangement made for the discharge of the duties of Dr. McDonogh, Medical Officer of the Workhouse during his absence.

52410/14 } Transmitting questions for answers respect-
7th Oct. } ing the person employed as temporary substitute for Margaret Lydon, Wardmaid, during her absence on leave.

Nellie Crossett who had been acting as substitute for Mr. Lee as book, on the return to duty of the latter, has been continued as substitute for Maggie Lydon.

52410/14 } Referring to an entry in the Minutes of
7th Oct. } the 30th inst. from which it appears that
hecke Sully, an inmate who was recently
under the influence of drink in the Workhouse
procured intoxicants while out with the

nature.

The Master was so directed.

53749/14 } Referring to an entry in the Minutes of the
13th Oct. } 7th inst. containing an entry of an ap-
plication from the contractor for the supply
of sugar to the Workhouse, ^{for an increase} on his contract price
owing to the war. Pointing out that in dealing
with such applications it should be the aim
of the Guardians to arrive at the exact loss
in which the contractor was involved through
having to supply an article at a particular
time, & the Guardians should endeavour to fix
the figure by consulting all such sources of
information, including invoices, letter
books, ~~letter books~~ & all the documentary
evidence as may be available, should the
Guardians decide on their own responsibility

to make such payment to the contractor as they
may consider reasonable, care should be
taken that this amount will not in any case
leave the contractor any profit on the portion
of his contract supplied since the war.
The Guardians should exercise great care
& circumspection in this matter as all
such payments made by them will be sub-
ject to review by the Auditor.

Returning the accounts & invoices which
accompanied the Minutes of the 7th inst.
*The following members of the Board were
appointed a committee to examine all
sources of information as recommended
by the L. G. B. to enable them to assess the
actual loss sustained by the contractor
by reason of the war, namely: Messrs
Dep. Vice Chairman, H. D. Cooke & W. J. Silke.*

Mr James Lee, the new contractor for the supply
of Tea to the Workhouse submitted a cer-
tificate from an Officer of Excise that 8
Chests of Tea were cleared out of the Bonded
Warehouse of Messrs Joseph Garratt & Co, of Thomas
St. Dunelm, on the 29th inst. The numbers of
the chests corresponded with those on the
8 chests delivered by Mr Lee at the Work-
house on the 30th inst.

Samples taken from the 8 chests by the Master
were forwarded to the Tea Taster who reported
on them as follows:

We have carefully tasted & compared samples
from bulk & find them up to the original

sample.

Moved by Mr. M. Moloney, seconded by Mr. P. J. Gallagher, & unanimously

Resolved - That in future, it will be insisted upon, that contractors for the supply of tea to the Workhouse must deliver it direct from the Bonded Warehouse at Calway, from which place bulk samples are to be taken.

10th Oct: '14, From Steven's Hospital, Dublin, stating that as half the Hospital is closed for military purposes they are unable to take in Martin Murray for measurement for an artificial leg, suggesting that the Instrument makers secure lodgings convenient to them for the patient, for measurement purposes.

Order Messrs. Lanyon & Co. to be written to on the subject.

13th Oct: '14 From the City of Calway Committee of Irish National Volunteers inviting the Guardians to nominate members to act on the Committee & attend a meeting to be held in the Town Hall on the 15th inst. at 8-30 pm.

Messrs. the Chairman, J. J. Walsh, P. J. Gallagher, & M. Cooke were deputed to act on the Committee.

13th Oct: '14 From the 15 contractors for the supply of milk to the Workhouse, calling attention to the fact that since the introduction on the 1st inst. of the new dietary scales only half the

quantity of milk is taken. Pointing out that 12 months ago they entered into a contract for three years & bought cows to meet their engagements, asking to be relieved of their contracts, otherwise they will be compelled to take action at law.

Order, To be informed of the terms of contract, namely, to supply milk in such quantities as shall from time to time be required.
