15th July } inst. re the proposal to provide a suit of clothes for J. Haily, Workhouse Porter, at a cost of £7-10-0, & stating that they consider that an expenditure of a sum of £6-10-0 would be sufficient in this case.
The sum of £7-10-0 has been already expended. The Guardians could not procure a decent suit at £6-10-0.

14th
15 July.

From Miss Gore, Head Nurse in the Fever Hospital, stating that notwithstanding the decision come to by the Guardians recently, the Probationer Nurse doing duty in the Hospital has been sent back to the County Hospital, throwing the onus of night duty for the coming week on her. It would be impossible to act as Charge Nurse & do night duty, Moved by Mr. Cooke, seconded by Mr. Bailey & Resolved - That Dr. McDonough be informed that the Guardians have decided that Nurse Gore is to be exempted from night duty in the Fever Hospital; that so long as there are patients there the services of a Probationer Nurse are to be retained to assist the second nurse at night nursing on alternate weeks. The services of a Probationer Nurse to be requisitioned forthwith.

Mr. J. Ruane entered a protest against the terms of the resolution of the Guardians at last meeting re the treat to the inmates of the Workhouse on the 19th inst. in celebration of Peace at the expense of the ratepayers, on the grounds that there is no peace in Ireland. If the Government voted money to cover the expense he would have no objection to the inmates being afforded a treat. He gave notice that on the 30th inst. he will move that the resolution referred to be rescinded.

Moved by Mr. Cooke, seconded by Mr. Bailey, & Resolved - that we demand of the Government the release of the Irish Political Prisoners against whom no charges have been preferred.

34658/19 } Referring to the Minutes of the 9th inst. contain-
17th July } ing an entry of their letter of the 8th inst. for-
warding a communication from Mr. S. Carter
& others relating to the contract for the supply of
milk to the Workhouse; & pointing out that as a
complaint has been made as to the Master's action
in distributing the supply of milk among the con-
tractors, the statements made should be investi-
gated as a matter of justice not only to the com-
plainants but to the officer whose conduct is
impugned.

The Guardians should therefore appoint a Com-
mittee to inquire fully into the matter & report
in due course.

*The Guardians beg to observe that the Master has
acted in this matter in accordance with instructions
they have given him.*

34478/19 } Acknowledging the receipt of replies to inquiries
22nd July } respecting the proposed appointment of Mrs. Sarah

that they have already sanctioned salaries
at the rate of £2-1-6 a week to the Boiler Attend-
ant & Subulance Driver, the amounts de-
manded for them by the Secretary of the Union
to which they belong, & the Board decline to sanc-
tion any higher rate of salary.

*Order Copies to be furnished to the Boiler Attendant
& Subulance Driver.*

33288/19 } Referring to the Minutes of the 2nd inst. con-
22nd July } taining a resolution proposing that the officers
of the Workhouse should be given rations on the scale
allowed them before the War, stating that the amount
of bread allowed under the pre-war scale to the Master,
Porter & the Hospital Cook appears excessive. The
Board transmit a scale of rations for these officers
which they would be prepared to sanction with such
small modifications as the Guardians may wish
to make. Pointing out that the weekly allowance
of sugar cannot exceed 3/4 lb. in the case of any
officer. With these alterations the Board will not

object to the Guardians' proposal.

With reference to the proposal to increase the cash allowance for rations allowed to the Nurses, the Board desire to state that the value, namely, £1-1-6 a week must have been calculated on a wrong scale, it should have been based on the amounts of rations allowed to the other higher officials. The cash allowance for rations to be allowed to the nurses should now be calculated in accordance with whatever rations are sanctioned for the Master.

In the matter of the value £1-1-6 a week, this was calculated on the scale detailed in the queries at the time of appointment of the nurses, & in each case the Board's sanction thereto was obtained.

Ordered. Full particulars as to pre-war rations & their value, & the proposed new scale, to be submitted to the Guardians at next meeting, also list of rations as allowed in some other Unions.

34658/19 } Referring to the further resolution adopted by
22nd July } the Guardians on the 9th inst., re an increase of salary to the Master of the Workhouse, & stating that for the reasons already set forth, they are not prepared to sanction any increase in this Officer's salary.

The Guardians beg to observe that, in the circumstances they may have to consider it necessary to create a new office, that of assistant-Master of the Workhouse.

The Chief Secretary for Ireland acknowledged the receipt of a copy of the resolution of the Guardians re release of Irish Political Prisoners,
