1886 29/89
2nd July Informing the Guardians that they have received the half yearly report of their Inspector Mr. A. Bourke on the Union, the Workhouse of which he inspected on the 24th ultimo.
It appears from the report that the financial position of the Union is satisfactory but that the state of the collection in the Districts of Collectors Bailey, Hermon and Concanon is very backward, particularly so in the case of Mr. Bailey, although in two of the poorest districts of the Union, namely Killaurin and Selerna, and Kilmunnin, the Collectors have closed their collections satisfactorily.
Requesting the Guardians to call upon the Collectors in question to proceed more

energetically in the discharge of their duties and to complete their collections without further delay.

- ①
- ② Stock has not been taken since October 1888. That the centre of the floor in the lower room of the male infirm ward needs repair, and that the whole of the building requires painting both on the inside and outside. The general repairs to the house are now nearly completed and if the repairs and painting referred to are carried out the building would be in a
- ③ satisfactory condition.

The Inspector draws attention to the fact that owing to the very few able bodied female inmates in the Workhouse fit to do duty as Wardsmaids the officers complain of the difficulty of keeping the wards clean. The Board suggests that the Guardians should take into consideration the advisability of obtaining the services of paid wardsmaids in order to remedy the present state of things.

ordered—

- ① The Collectors to be called upon to complete their collections without further delay.
- ② Messrs J. Kirwan and M. Fallon were appointed on a Committee to take stock of clothing, &c.
- ③ Consideration deferred until the present contract for repairs will be completed.
- ④ Advertisement for 6 Wardsmaids at £4 a year ^{ration} each. Applications to be considered at meeting on the 17th instant. Candidates to be in attendance at workhouse at 11 am, on that day.
