Sir

At your meeting at Orammore a tender of my resignation of Medical Officership will come on for discussion.

The Circumstances over which I believe I had no control and which prompted me to take that step. I am now persuaded by my Father and others, do not in anyway justify my surrendering my appointment and I trust you will be so kind as to inform the Committee - that I withdraw my resignation, hoping the Committee will overlook the trouble caused by my act

I am &c

Moved by Father Teague, and seconded by W. Burke that D. Kirwan's apology & withdrawal be accepted  
Carried - Examined the Medical Register from

No. 136. to 183. and No. 177 was taken off

D. Kirwan submitted his Medical report book as also his Vaccination book, and for the current quarter to this date there were 21 vaccinations and 17 defaulters -

D. Kirwan brought to the notice of the Committee that the sewerage in connection with the Barracks at Orammore, is in progress of being done and is objectionable as the sewer is still leaking into the river - directly -

The Committee, requests the Board of Guardians would bring to the notice of the Local Government Board - the absolute necessity of having the owner of the Tolls of the numerous Fairs, held in Orammore - to have a weighing machine put up for the accommodation of the public

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon as follows:—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively to the following effect (or Orders made on them respectively as follows):—

No 234 236/89  
28<sup>th</sup> Aug. Forwarding questions for answers to be signed by the Clerk of Union and the persons who may be appointed as Matron and Nurse of the Fever Hospital.

No 35372/89  
2<sup>nd</sup> Sept. Stating that they have had referred to them from the Chief Secretary's Department a communication respecting two children named Michael and Patrick McGrath who had been inmates of the Union Workhouse and who were on the 5<sup>th</sup> of June last committed to the Letterfrack Industrial School on the charge of having been found begging. Requesting that the Guardians will be so good as to cause inquiry to be made into the cir-

cumstances

— circumstances of each case and to furnish the Board with their observations thereon.

The Guardians beg to observe that they learn that the father of these two boys died about two years ago. Their mother married again soon after, and her second husband after a time deserted her and left Galway. She came into the Workhouse for the purpose of being confined, bringing her two boys with her. After her confinement they left.

The Guardians are satisfied that the two boys were destitute when committed to the Letterfrack Industrial School, and they consider it was very much to the boys' advantage to be sent to that institution.

The pauper has not up to the present arrived.

3<sup>rd</sup> Sept. '89. From Mr. Townsend, Engineer expressing his regret at not being able to attend on the Board as requested, having to leave home for England for a short time. The extra works executed by the Contractor for Workhouse repairs are of a useful kind and absolutely necessary in a sanitary point of view. Stating that on his return he will be happy to give any detail information that may be required.

4<sup>th</sup> Sept. '89 From Mr. Simon, contractor, demanding pay-
