The Reports of the Master and other Officers were read, and Orders made thereon as follows:—

The Estimate of petty requirements was examined and orders were issued on Contractors.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon as follows:—

№ 37053 } For an Election to supply a vacancy in the
6th Oct. 90. } Office of Guardian for Moycullen Electoral Division,

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively to the following effect (or Orders made on them respectively as follows):—

Before the ordinary business of the Board had been transacted the following resolution was proposed by Mr. J. Ashe, and seconded by Mr. Kearns.

"Resolved—That we express our strongest protest against the action of the Government in arresting Messrs. O'Brien and Dillon M.P.s on the eve of their departure for America to assist the Irish tenants now seriously threatened in many parts by severity and want."

It was proposed as an amendment by Mr. G. E. Burke seconded by Mr. R. H. French,

"That this resolution be not entertained until the ordinary business of the Board be transacted
in

in accordance with article 14 of General Regulations,

The Vice Chairman of the Board, then the presiding Chairman, having called for a division, the amendment was declared lost, 2 Guardians voting for, and 23 against it.

The original motion was then put, and declared carried.

№ 37053/90 } From the Local Government Board, stating that
30th Sept. } they have given directions for the issue of an Order for an Election to supply the vacancy in the representation of the Moycullen Electoral Division caused by the death of Mr. Peter O'Donoghue.

№ 115/m/90 } Forwarding Forms for the annual return of
6th Oct. } Officers of the Union
Return furnished on the 13th instant.

№ 38784/90 } Stating that the Local Government Board have
6th Oct. } had under consideration the resolution of the Board of Guardians at meetings on the 24th ultimo, and 1st instant, from which it appears that the Guardians have failed on both these days to discharge their duties. On the 24th ultimo a resolution of a political character was proposed which the Chairman declined to receive, and that consequently the meeting was adjourned without dealing with the estimate for new rates and other matters which should have received the Guardians' consideration. On the 1st instant the same political resolution was

proposed

proposed before any of the ordinary business was transacted, and on the Chairman again refusing to receive it, a resolution was proposed and carried adjourning the meeting for a fortnight; consequently all the business of the day, as well as that left over from the 24th ultimo, was wholly neglected. The course pursued by the Chairman on these occasions was fully justified by the General Order of the 18th of December, 1882, regulating the proceedings of Boards of Guardians. The Board now call upon the Guardians present at their next meeting to discharge duly, and in the manner prescribed by the General Order referred to, all the ordinary duties devolving on them, otherwise the result will be the dissolution of the Board of Guardians and the transfer of the management of the affairs of the Union to other hands.

No 2717/m/90 } Forwarding forms for Quarterly Return of Rates

 } furnished.

No 39464/90 } Stating that they have given directions for the issue
11th Oct. } of an Order under seal appointing the Rev. J. J. Berry to the office of Protestant Chaplain of the Workhouse.

On the motion of Mr R. A. French, seconded by Mr J. P. Sullivan it was unanimously resolved that the Auditor be requested to withdraw

withdraw the surcharge of £2.6.0 against Relieving Officer John Martyn, made at recent audit of the Union Accounts, as we are satisfied that the relief was honestly administered by him, though he may have committed an error of judgment in the cases referred to in the Auditor's report."
