The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively to the following effect (or Orders made on them respectively as follows):—

104601/91. } Referring to application of the Guardians for a
7th Feb'y 91. } Loan under the Seed Potatoes Supply (Ireland) Act,
1890, and requesting that forms H and G may be
forwarded without delay.

The Clerk informed the Board that the delay in forwarding these returns has been caused by reason of some members of the Board not having furnished lists of persons in their respective Electoral Divisions requiring seed: that he is preparing the returns as far as the lists have been completed, and will forward them as soon as possible; supplemental returns to be forwarded later on if necessary.

11th Feb'y - 91. From the Registrar General informing the Guardians that the office of Registrar of Births, Deaths, and Marriages for the District of Galway No. 3 (Arran Islands) is now vacant owing to the resignation of D. Kean.

Order. The issue of placards over the District inviting applications for the office, appointment to be made at next meeting of the Board.

16th Feb'y 91. From the Solicitor to the Board, stating that the mother of the illegitimate child Mary Wynne an inmate of the Workhouse, must make an affidavit before a justice at Petty Sessions as to its parentage, and that evidence corroborative of the statement of the mother other than her own oath will be necessary to sustain the claim.

No order made.

10th Feb'y 91. From Larry Conneely of Turbough, complaining that one of three bags of Seed Potatoes supplied to him on Monday last, contained Potatoes utterly worthless. The other bags contained fair honest seed. That though binding himself to pay a very heavy price, 7/- per stone, he was not permitted to see his purchase before taking away the seed. He brought the bag of seed Potatoes to the Workhouse to be examined by the Guardians. That if the Guardians declined to exchange the Potatoes he will leave them at the Workhouse.

The Guardians examined the bag of Potatoes and the majority of them expressed their opinion to the effect that the complaint was groundless.

and

and that the Potatoes were of fair average quality of Seed Potatoes.

The Clerk informed the Guardians that he was in attendance each day at the distribution of the Seed Potatoes, and filled up a receipt for, and witnessed the signature of, each recipient of them; that the complaint made that permission was not given to examine the Potatoes before taking them away is not correct, permission to do so was not refused to any person; some 25 or 30 bags were emptied and spread out on the floor of the store inside the entrance gate for inspection.

Resolved - That permission be given to each person to examine the Potatoes before removal from the store; a complaint as to quality after removal from the store, made by any person in future, will not be entertained.
