The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively to the following effect (or Orders made on them respectively, as follows):—

No. 88/193 } Enclosing forms for Quarterly Return of Rates
4th Oct } made & agreed to.
Furnished.

No. 39990/93 } Referring to entry on the subject in the Minutes
6th Oct } of the 27th inst., and suggesting to the Guardians
the advisability of again issuing advertisements
inviting candidates for the office of midwife of
the Workhouse offering a higher remuneration,
the person appointed to reside on the premises.
The Guardians beg to state in reply that they con-
sider the existing arrangement works satis-
factorily enough to warrant them to continue it
and not incur an increased expenditure.

No. 39943/93 } The Board have had before them the estimate
10th Oct } of the rates required to provide for the expend-
-iture

-iture of the Union during the year ending the 29th September, 1894, from which it appears that the Guardians have reduced the estimate by sums varying from 9% downwards with the result that the rates agreed to will fall short of the amount shown to be necessary by about £1037. Having regard to this large reduction the Board request that in the interests of the Union the Guardians will reconsider the estimate after due notice to each Guardian.

The Board at the same time would be glad to be informed what is the rate proposed to be levied on the Urban and Rural portions, respectively, of the Galway Electoral Division.

The Guardians beg to state in reply that they consider the rates agreed to will suffice to meet the expenditure of the Union for the current year. There is a uniform rating on the Urban and Rural portions, respectively, of the Galway Electoral Division.

Removal Order, Bridget Dungan and her two children from Glasgow to Galway Workhouse. Paupers have arrived. Query sheet filled in accompanying Minutes.

Pursuant to notice given for this day Mr. M. Linn moved - that the period of Collector Martyn's warrant be extended from four to six months, and that the poundage of eight-pence be granted for the six months.

carried unanimously.

Furloughmore District,	-	-	£

[This is to be entered on the occasion of every appointment of a new Committee, after the annual Election of Guardians, and on the occasion of any vacancy in a Dispensary Committee.]

The Board elected the following Ratepayers to be Members of the Committees of Management of the following Dispensary Districts, respectively:—the Clerk to make a Return accordingly to the Local Government Board for Ireland, and to issue the prescribed Notification to the Members elected, and to the Medical Officers of the respective Dispensary Districts, in pursuance of Articles 1, 2, and 3 of the General Regulations for Dispensary Districts.—The Clerk was also directed to supply Check Books of Medical Relief Tickets (Forms E 1 and E 2), in pursuance of Article 30 of the Dispensary Regulations, to the new Members of the Committees, namely:—

Dispensary District, Mr _____ of _____

The following Orders of the Local Government Board for Ireland, under the Medical Charities Act, were laid before the Board, and directions given thereon as follows:—

Order dated _____ (state subject.)

The following Letters on matters arising under the Medical Charities Act, from the Local Government Board for Ireland and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders were made on them respectively as follows):—

Read Letter from L.G.B. No. 39121/93 dated 5th October, stating that acknowledging receipt of resolution of the 20th ultimo relative to Guardians' application for a supplemental loan in respect of the Medical Officers' Residence and Dispensary for the Craunmore Dispensary District, and stating that legal obstacles exist in the way of granting loans in cases where, as in this instance, the works originally contemplated and in relation to which the Board's certificate was issued have been carried out. The alterations in the buildings for which a loan is now sought, have apparently, been long since completed and paid for, and under the circumstances the cost must be borne by the rates of the Electoral Divisions comprised in the Dispensary District; but the Guardians with the view of lessening the burden thereby entailed on the ratepayers, might arrange to spread the expenditure over a period of two or three years.

[These Reports are to be made up and forwarded by the Medical Officers to the Board of Guardians quarterly viz., on the 31st March, the 30th June, the 30th September, and the 31st December.]
