No 13316/94 } Referring to Minutes of the 28th ultimo, and requesting
5th April } to be informed whether John Kain, son to the
Workhouse tailor, is still acting as assistant-
to the temporary tailor at six shillings a week.
So employed for one week only.

relative to the change in the dietary of the children
and infirm persons in the Workhouse; and pointing
out that before the change is permanently adopted,
fourteen days' notice of the proposal should be
given to each Guardian.

*Resolved - that notice be given to each Guardian
that on this day three weeks this matter will be
taken into consideration.*

The Clerk informed the Guardians of the death
of Mr B. Hernon, Relieving Officer for Erran
Islands district.

*Order - The issue of advertisements inviting appli-
-cations for the office of Relieving Officer at a
salary of £28 a year, and Sanitary Sub Officer
at £7 a year for the Erran Islands district.
Appointment to be made at meeting on the 25th
instant.*

On the motion of Mr A. Scott, seconded by Mr
A. Davoren it was
*Resolved - that we the Board of Guardians of
the Galway Union desire to express our strongest
dissatisfaction with the Government and the
Local Government Board at the manner in
which they have met the cruel evictions which
have taken place in Erran Islands. It was stated
in the House of Commons by the Chief Secretary
that the Local Government Board had instructed
their Inspector to take every precaution to cope
with*

with the distress which was likely to exist, and now we find that the Inspector was instructed to do nothing but to explain the law to the Relieving Officer. Judging from the reply of the Chief Secretary we consider that speedy facilities should be given to the Local Government Inspector to meet the distress instead of leaving the whole burden upon the ratepayers who are already swamped with rates and a large number of whom are totally unable to pay them. That a copy of this resolution be sent to the Chief Secretary, also a copy to Mr. D. Sheehy M.P. for the division of the County.

Resolved unanimously,
That we beg in the most earnest manner to draw the attention of the Local Government Board to the painful fact that there are several occupiers of small holdings of land in the Islands of Arran who through sheer poverty during the past season were compelled to eat their seed potatoes, and in consequence are now unable to till their holdings; of this we have positive information. That we urge upon the Local Government Board the absolute necessity of providing seed potatoes for these poor people, otherwise great distress will prevail amongst them in a most alarming manner during the coming season.
