19th Dec. '93. From Dr. Keau, Medical Officer, Inram Island, informing the Guardians that to compel Relieving Officer Hernon to proceed to Galway for attendance on the Guardians in this weather is nothing short of a refinement of cruelty as he is doubled up from a chronic affection of the chest, and before leaving home he would do well to take a final leave of his family for he may return in his coffin. He is still fit for the discharge of his duties minus the periodical journeys.

Resolved, that the Local Government Board be requested to sanction the arrangement whereby the Relieving Officer's son-in-law act as his substitute in bringing his books before the Guardians during the ensuing two months.

In pursuance of notice given for this day Mr. H. Davoren moved the following resolution,
