

The following Letters on matters arising under the Medical Charities Act, from the Local Government Board for Ireland and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders were made on them respectively as follows):—

Read Letter from L.G.B. 5563/94, dated 13<sup>th</sup> Feb'y, stating that the Board have had before them the Minutes of Proceedings on the 7<sup>th</sup> instant, containing an entry relative to the continued inability of Dr. O'Gorman to discharge his duties as Medical Officer of the Spiddal Dispensary District; and in reply to the Guardians' inquiry on the subject the Board desire to state that it is not their practice to sanction leave of absence for an unlimited time to a Medical Officer unable to discharge his duties through illness, but that under the Medical Charities Act and the regulations of the Local Government Board, no definite period has been fixed upon the termination of which it is imperative on a Dispensary Committee to call upon a Medical Officer to resume the discharge of his duties or resign his appointment, and the Board consider each case, as it arises, on its own merits,

[These Reports are to be made up and forwarded by the Medical Officers to the Board of Guardians quarterly viz., on the 31st March, the 30th June, the 30th September, and the 31st December.]
