The Board having (agreeable to an arrangement at the meeting of the 6th instant) considered the Commissioners letter of the 2nd date 17th February relative to the removing the scales over the Poor Luke Ryan from the office of Roman Catholic Chaplain to the Workhouse

- Proposed By. E. W. Rutledge
- Seconded " C. J. Kelly

Resolved. That we are surprised and grieved at the Commissioners persisting without any sufficient reason to exclude the Poor Luke Ryan from the office of Chaplain particularly after his explicit statement to the Commission-
that

that he is perfectly satisfied to comply with the regulation of the Workhouse, always subject as he must be in the discharge of his spiritual duties to his ordinary, a statement so satisfactory that more cannot be demanded, unless we demand of him to renounce his subjection to his Bishops in spiritual matters which was any Christian prepared to do he would be one unfit for the discharge of the duties of Chaplain

Viewing with alarm the awful consequences to the morality of the inmates and the order of the Workhouse that must necessarily result from their being longer deprived of religious instruction and the other spiritual ministrations of their faith we shall persevere in imploring the Commissioners to remove the scales over and thus avert in time such lamentable evils for which it is now plain they alone and no other must be responsible

- It which an amendment was proposed
- By. Stephen Roche
- Seconded " W. H. Lucas

Resolved. That altho this Board is very properly denied all control over the appointment or removal of Chaplains to the Workhouse, yet has it interposed for the purpose of conciling the differences which unfortunately exist between the authorities in whom such control is vested

Finding however that its interferences has hitherto not availed and fearing least any further interpositions may possibly delay the adjustment of these differences the Board declines taking any further steps in the matter

A Roll having been taken there appeared in favor of the Resolution 15 against it 2 the Resolution was Carried

Notice of Motion

I hereby give notice that I will on weaners day the 27th instant propose that the Board will enter into
