Proposed by Jeremiah Tally Esq

Seconded by Mrs. Gammon Esq

Resolved, That it is absolutely necessary to postpone the appointment of Relieving Officers until Monday, the 18th of October instant, in consequence of no sufficient advertisements having been circulated among persons desiring to be appointed Relieving Officers in the several districts of the Union, that the appointment would be made on Monday next, it is likely that Candidates for the office, properly qualified, may not be in attendance, whereby the working of the Amended Poor Law Act in the Union may be greatly obstructed and as an additional reason for postponement, an Infirmary will be held on said day in Dublin at which a great number of the Guardians will be necessarily absent from the Board, for those reasons (and not with a view to delay the appointment) we direct our Clerk to communicate this Resolution to the Commissioners and request that they will authorise us to defer the postponement of the appointments accordingly.

Next Meeting of the Guardians to be held on
day of 184
