To The Chairman and Guardians of the Tuarn Union.

Gentlemen.

I beg to report that I have thoroughly examined the work done in the above building and I consider the work fairly well done on the whole the only complaints I have to make are that in a few cases the bricks used on the inside are not quite as well burnt or as good as they ought to be, these I intend to have removed.

I also found the concrete used in foundation did not contain as much cement as specified and I have instructed the Contractor to underpin with masonry in cement under the gable wall - I consider the masonry is fairly well good

good and well bonded.

Yours faithfully
John Harris
