Mr Mulvany's Letter

letter having been read and considered the following Minute was adopted -

The Board direct that Mr Mulvaney shall not issue further Certificates in favor of any of the Contractors in connection with Tuam Waterworks until the final statement of Accounts be furnished nor until the Guardians are satisfied that the works are in perfect working order.

The Board have to add that they consider Mr Mulvaney's letter regarding the pipes very unsatisfactory and must again remind him of the fact that the people of Tuam are paying for water which they have not got.

The Guardians wish to know from Mr Mulvaney whether the pipes are staunch and if so, why there is not water in the fountains.

The Clerk's Report of Vaccination was read (this on the first meeting in every month.) Number of successful cases:—

The Report of the Visiting Committee was read, and Orders were made thereon as follows:—

The following guardians were appointed a Visiting Committee, viz—

Messrs Henry Kirwan, Bartly Banavan, P. Raftley, Michael J. Costelloe, George Jolly.

"Medical Officer's and Master's Report"

The Medical officer reported that there were not any deaths during the past week and that 53 persons remained under treatment.

The Master suggested the advisability of doing at least a portion of the painting both inside and outside the house this summer. Most of the woodwork is completely rotten, and the carpenter is employed daily in putting up jambs, window-sashes, &c. This involves a great lot of expense and moreover the Workhouse in general through not being painted for several years appears in a very neglected state and trusting the matter will have the Guardians earnest attention, and also stating that if another winter be allowed to pass the consequences may be very detrimental to ^{the} Board.

That the several Chimney Shafts be pointed and roughcasted. That the Cistern be painted and a Tap be erected outside nursery door in order to have water for flushing flags and pavements there.

Referred to Visiting Committee.

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:—

That the Children were taken out for recreation and exercise on one occasion during the week.

That in consequence of Mr. Maher having refused on more than one occasion to regulate the Pump and Taps of the house he had to employ a man from Galway.

That Mr. B. R. Lynch Staunton, Local Government Board Inspector visited the house on the 7th and 12th Instant.

That he requested to be informed if the inmates are to get on Easter Sunday the special breakfast and dinner same as given last year. The usual breakfast and dinner allowed.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon, as follows:—

Letter to Clerk From the Local G Board having reference to the state of the Collections in the Union and calling the Guardians attention to the large balance remaining uncollected on the 26th Ultimo.

Order The clerk to call upon the several Collectors to bring their respective collections to a close on or before the 18th Proximo.

Application having been made by an inmate named Margaret McDonagh for an outfit to enable her to go to service, it was agreed that the sum of 30/- be allowed to provide clothing.
