The following letter was read from Wm. John S.t Figgis late Clerk of Union -

1 Lower Dominick Street -
Dublin 16th. Feby 1858

Gentlemen,

I have the honor to acknowledge the receipt of a Resolution adopted at your meeting on Wednesday last the 10th. instant - I regret very much that the Bills were not sent down by Mr. Short, but I fully expected he would not have left Dublin for another day, Mr. Morris received the Bills on Thursday morning last - It appears from the Resolution adopted by the Board of Guardians, that some misapprehension exists with regard to the balancing of the September accounts, Viz - That I undertook when quitting the employment of the Board of Guardians to close the accounts of the Union for the period above named, I beg to state most respectfully that I never made any such promise, that I never contemplated doing so, as it would be utterly impossible that I could perform it, having regard to my present avocations - I did say I would attend the Audit as Mr. Martyn wished it, but nothing more, being anxious to give as little trouble to Mr. Morris as possible, I stated that I would take the Transfers from the Treasurers payments and place them to the debits of the several accounts, which I did, I also closed the Provision Maintenance & Clothing accounts, the only ones I had data for, thereby doing more than I promised, but not more than I would or was willing to do - With regard to the request of the Board Viz. to attend at the Board Room on Wednesday the 17th. instant and from day

to

to day until all the accounts &c advertised to have been closed to the Satisfaction of the Board - I trust the Board of Guardians will not take offence at my not complying with their request, and although I am most anxious to oblige them in any way I can, yet it is impossible for me consistent with my present employment to do so - As I cannot at present go to Tuam, perhaps the Board of Guardians will have no objection to Mr. Morris coming to Dublin with the accounts when I shall feel happy in offering him any assistance I can

I have the honor to be
Your most respectfully
John S Figgis

Tuam 9th March 1858

To the Board of Guardians— Tuam Union

Gentlemen,

I have in compliance with the Commissioners suggestion to lay before you a Scale of Dietary which embodies the Three Articles of Meat Tea & Rice in its formulary which if approved of I will hereafter use instead of Ordering those Articles as extras as heretofore—

I purposely omitted Tea from the former dietaries when framing them for the Commissioners approval as I was aware that it is not an article of diet amongst the class likely to become inmates of the Workhouse and I considered milk a much more nutritive Article of diet—

I enclose the New forms referred above to be forwarded for approval—

I am Gentlemen

Your Obt Servant

Thomas B Turner

Medical Officer.
