Kristmas 3<sup>rd</sup> Feb<sup>y</sup> 1860

Sir,

I hope you will pardon my seeming neglect in not answering your note of the 13<sup>th</sup> January or now, which I only received on the 1<sup>st</sup> of this month. You stated there is £14 due on me, I have paid money that I have not got credit for, the debt is not like any other, as it was due on bad Tenants who kept my rents for years, waisted the lands still remaining in huts, which prevented any person tating said lands, until I was obliged to let them at 1/6 you owe to the present Tenants, had all Taxes to pay for them - I thank the Guardians for their leniency to me which I hope for and expect a continuance of, and expect of them to take into consideration how I was situated and not give any Order to take proceedings against for the present - I thought to till on the land as much as would pay the Taxes, in that I was discouraged as the Poor Rates Collector took away a Stack of Wheat which was not allowed for, I then gave up tilling as I lived 20 miles away.

Mr. Morris

Your Obed Servant  
Ganett Stelly

The Guardians having considered Tenders for the Office of Baker, there being two before the Board, one from Patrick Mannion, the other from James Cavanagh late Baker at the Workhouse -

Mr. Richard Stelly proposed Patrick Mannion -  
Mr. William Gannon proposed James Cavanagh -

A poll having been taken, there appeared 3 votes for James Cavanagh and two votes for Patrick Manning. James Cavanagh was declared elected to the Office of Baker at 12/6 per Week, he consenting to give the Guardians one week's notice before leaving the situation or forfeit one week's wages in his neglecting to do so.

Recd Letter from Dr French Member dated 6<sup>th</sup> March 1860 Addressed to Mr Valentine Barone Relieving Officer -

Dear Sir, Many Members of our Committee have refused tickets to those on the Railroad, as they are not properly belonging to the District, nor do not contribute to the Poor Rate. By the instructions of the Medical Inspector I wrote to Mr Dargun requesting he would provide Medical assistance for those in his employment, I have not yet his reply, but from what I can learn he is likely to do so. Mr. Kirwan who applied to on their behalf sent me a few tickets of admission to the Infirmary for their use. A new arrangement must be entered into with me if all these cases are thrown on my hands, but I have no authority from the Committee to supply them with Medicines, I shall see this man, being the first you recommended, but you will require to have the sanction of the Committee in future -

Yours truly Digby French

Proposed by Stephen Roche Esq<sup>r</sup>. Seconded by Robert Bocklin Esq<sup>r</sup>. and Unanimously adopted -

Resolved - That Dr French's letter to the Relieving Officer, stating that many members of our Committee have refused tickets to those on the Railway and the above statement not having been borne out by members of the Committee present at the time, The Board are of opinion that Dr French should be informed, as has already been stated to him by the Proposer of this Resolution that the Poor Relief Act which this Board is called upon to administer provides Medical Aid as well as other Relief, for all persons found destitute in any Electoral Division of an Union, and the Board have to express their astonishment at Dr French having unhesitated to afford the Relief which the law directs to be given in all cases, when the proper application has been made, as in the one now before the Board -
